1. The first part of the paper is devoted to a discussion of the
theoretical aspects of the problem. It is shown that the
problem is equivalent to a problem in the theory of
differential equations. The second part of the paper is devoted to a
discussion of the experimental results. It is shown that the
experimental results are in good agreement with the theoretical
results. The third part of the paper is devoted to a discussion of the
conclusions. It is shown that the problem is solved.
